

# School SEND Briefing: Supporting Pupils and Staff

Taking place in Central London (Zone 1, Venue TBC) | Tuesday 12th March 2019

10.15 Registration & Morning Refreshments

11.00 Chair's Introduction

11.05 **Morning Session: Assessing the Present and Looking Forward**

- An overview of current policy and the interaction between local authorities, schools and children's health services
- Overview of the Government's plans for rolling out '7 aspects of engagement' approach in 2020
- Replacing P scales 1 to 4: timeframe for turnaround and new requirements
- The Rochford Review and beyond: looking to the future for SEND pupils
- Reviewing the Department of Education's pilot report: strengths and weaknesses
- Managing relationships with local authorities and children health services
- A whole school approach to SEND: making sure your implementation plan is evidence based

13.15 Networking Lunch

14.00 **Afternoon Session: Practical Approaches of Funding and Reporting**

- Best practices in collaborative working between local authorities, schools and children health services
- High Needs Funding arrangements: reviewing options for local authorities and institutions for 2019-2020
- Tailoring teaching and provision to meet the needs of pupils with complex disabilities
- Learning from peers: case study examples from schools and LAs
- Accessing resources and training your workforce: making faster, better SEND diagnoses
- Improving the quality of education, health and care plans
